LETTER OF OFFER AND APPOINTMENT

Dear **Mr./Ms. Madhu sekhar**,

It gives us immense pleasure to welcome you to **Vatsenix Software Private Limited**.

After carefully evaluating your qualifications, technical expertise, professional experience, and overall performance during our selection process, we are delighted to offer you the position of **Full Stack Developer** with our organization.

Your demonstrated skills, commitment to excellence, and passion for innovation have impressed our hiring team. We believe your capabilities will contribute significantly to our mission of building world-class software products and delivering exceptional value to our customers.

At Vatsenix, we are committed to creating technology that transforms industries through Artificial Intelligence, Cloud Computing, Enterprise Software, Data Engineering, Recruitment Technology, and Digital Innovation. Our culture encourages continuous learning, ownership, collaboration, integrity, and customer success.

Your proposed date of joining is **2026-07-15**, and your initial place of posting will be **Bengaluru, Karnataka**, unless otherwise communicated by the Company.

This offer is subject to successful completion of document verification, background verification and other joining formalities.

We warmly welcome you to the Vatsenix family and wish you a long, successful, and fulfilling career with us.

Warm Regards,

Venkatesh A
Founder & Chief Executive Officer
Vatsenix Software Private Limited

Your Role at Vatsenix

- Build scalable software products.
- Collaborate with cross-functional teams.
- Maintain high coding and quality standards.
- Protect company and customer information.
- Continuously learn emerging technologies.

Our Core Values

Innovation • Integrity • Customer Success • Ownership • Continuous Learning

Important Note: This page provides a summary of your employment details. Detailed terms and conditions are covered in the following annexures.

TERMS OF EMPLOYMENT, PROFESSIONAL RESPONSIBILITIES & CODE OF CONDUCT

1. Professional Responsibilities

As an employee of Vatsenix Software Private Limited, you are expected to perform your duties with professionalism, accountability, and dedication while contributing to the Company's vision and business objectives.

- Perform assigned responsibilities with honesty and integrity.
- Deliver quality work within agreed timelines.
- Collaborate effectively with colleagues and clients.
- Follow Company policies and procedures.
- Take ownership of assigned tasks.
- Continuously improve technical and professional skills.
- Represent the Company positively in all professional interactions.

2. Standards of Professional Conduct

Employees shall maintain the highest standards of conduct by respecting colleagues, promoting teamwork, maintaining discipline, complying with applicable laws, and supporting a safe, inclusive, and harassment-free workplace.

3. Ethics & Integrity

Integrity is a core value of Vatsenix Software. Employees shall act honestly, avoid conflicts of interest, never engage in bribery or unethical business practices, and immediately report fraud, unethical behaviour, or security incidents.

4. Confidentiality & Information Security

Employees may have access to confidential information including source code, AI models, customer information, business strategies, financial information, and technical documentation. Such information shall remain the exclusive property of the Company and shall not be disclosed without authorization.

Employee Acknowledgement: By accepting this Offer Letter, you acknowledge that you have read, understood, and agree to comply with Company policies.

EMPLOYMENT POLICIES, WORKPLACE GUIDELINES & PERFORMANCE EXPECTATIONS

1. Working Hours

The standard working schedule is 45 hours per week, generally Monday to Friday, 9:30 AM to 6:30 PM. Depending on project requirements, employees may be required to work flexible hours, rotational shifts, or hybrid schedules.

2. Attendance & Leave Management

Employees shall maintain regular attendance and follow the Company's leave approval process. Leave requests should be submitted through the approved system and require reporting manager approval except in emergencies.

3. Hybrid, Remote & Work From Office Policy

The Company may assign employees to Work From Office, Hybrid, or Remote working models based on business requirements. Employees are expected to maintain productivity, professionalism, confidentiality, and communication standards irrespective of work location.

4. Performance Expectations

Performance is evaluated based on quality of work, productivity, technical competency, innovation, customer satisfaction, collaboration, ownership, learning, and policy compliance.

5. Company Assets & Resources

The Company may provide laptops, official email, software licenses, ID cards, VPN access, cloud resources, and development tools. These assets remain Company property and must be returned upon separation.

Employee Commitment: By joining Vatsenix Software Private Limited, you agree to uphold the Company's values and follow workplace policies.

INFORMATION SECURITY, CONFIDENTIALITY & INTELLECTUAL PROPERTY

1. Information Security

At Vatsenix Software Private Limited, protecting information assets is a shared responsibility. Employees shall comply with all Information Security Policies, Cyber Security Standards, and applicable legal requirements.

2. Confidential Information

Employees may have access to confidential information including source code, AI models, product roadmaps, customer information, recruitment data, databases, technical documentation, financial information, research activities, and internal business processes.

3. Non-Disclosure Obligation

Employees shall not disclose confidential information, copy or distribute Company data without authorization, share passwords or system credentials, or use Company information for personal benefit. These obligations continue even after employment.

4. Intellectual Property Rights

All software, source code, web applications, APIs, databases, AI models, machine learning algorithms, documentation, inventions, product designs, and business processes created during employment shall remain the exclusive property of Vatsenix Software Private Limited.

5. Data Privacy & Protection

Employees shall process personal and business information only for legitimate business purposes and in accordance with Company policies and applicable data protection laws.

EMPLOYEE BENEFITS, COMPENSATION & CAREER DEVELOPMENT

1. Compensation & Salary Administration

Your compensation has been designed to be competitive and aligned with your role, qualifications, experience, and performance. Salary shall normally be credited directly to your designated bank account on the Company's scheduled payroll date, subject to statutory deductions.

2. Employee Benefits

Subject to eligibility and Company policies, employees may receive benefits including Health Insurance, Group Personal Accident Insurance, Provident Fund, ESI, Gratuity, Paid Annual Leave, Sick Leave, Casual Leave, Public Holidays, Employee Referral Rewards, and Performance Recognition Programs.

3. Performance Bonus & Rewards

The Company recognizes exceptional performance through Annual Performance Bonuses, Spot Awards, Innovation Awards, Customer Appreciation Awards, Team Excellence Awards, Leadership Recognition, and other performance-based incentives.

4. Learning & Professional Development

Employees are encouraged to participate in technical training, leadership development programs, AI and Machine Learning workshops, Cloud certifications, Data Engineering programs, Product Engineering sessions, soft skills training, and cybersecurity awareness sessions.

5. Career Growth Opportunities

Career progression is based on performance, technical expertise, leadership capability, innovation, customer feedback, professional certifications, business contribution, and organizational requirements.
